

## **PRESS RELEASE**

Timber and Builders' Merchant, Parker Building Supplies, has expanded and upgraded its operation during April 2007.

A Kitchen and Joinery Showroom has been developed in premises adjacent to its existing Heavyside branch at Hailsham, East Sussex. The Kitchen Showroom features fifteen displays from the Symphony collection, whilst Joinery displays include: interior and exterior doors, staircases, windows and roof lights together with a whole host of related products.

Meanwhile the Companys twice National award winning hard landscaping display at Tonbridge, Kent, has been extended and now incorporates the Pavestone range of natural stone paving.

Additionally a second hard landscaping display at East Grinstead, West Sussex, has been completely rebuilt and now includes displays of Bradstone, Pavestone and Stonemarket paving as well as decking and fencing from Forest Garden Products.

Outline details are attached.
