

## **PRESS RELEASE**

Parker Building Supplies Ltd, the East Sussex and Kent based Timber and Heavyside Builders Merchant, has taken delivery of another 'state of the art', Mercedes Axor R258, 6 wheel, 26 tonne gross (14 tonne pay load), with remote controlled crane, Large Goods Vehicle (LGV). It is the sixth of its type to be added to the Company's logistics fleet in the last two years. The company now operates sixteen LGV's working from seven trading locations.

Ongoing investment, together with continued commitment to safety and more efficient customer service, has also seen the addition of five new Doosan Daewoo, 2 ½ tonne, counter balance, forklift trucks to the company's material handling equipment. Three new Leyland Daf, 4 wheel, 18 tonne (9.5 tonne payload), with remote controlled cranes, LGV's, are also currently on order for delivery later this year.

The company will be expanding its business operation further in 2006 by opening a Joinery Centre adjacent to its Hailsham (East Sussex) branch in July and a traditional Builders Merchant branch, covering two acres in Haywards Heath (West Sussex), in September.
